

OSTEOPATHY POSITION VACANT

Part time or Full time (3-5 days)

An exciting opportunity here at Maroondah Osteopathy and Sportscore exists for a new graduate or experienced Osteopath to join the team. You will step into an existing case load of proactive patients, in our private practice surrounded by a group of passionate Allied Health therapists.

Who are you?

Are you an enthusiastic, patient care focused person with excellent communication skills? Have you had experience in providing evidence based hands on treatment to a variety of patients? Are you motivated and feel great personal satisfaction in helping everyday people achieve their health goals? If so, you will fit right into our allied health team at Maroondah Osteopathy and Sportscore!

About us:

Located in Ringwood North, Maroondah Osteopathy & Sportscore has been providing care to the local community for 14 years. It boasts facilities across 3 shops, including 7 private treatment rooms, a Clinical Exercise Physiology and Pilates gym space. Our team of 13 passionate allied health practitioners across 4 modalities (Osteopathy, Dietetics, Exercise Physiology and Remedial Massage), align with our core values of Understanding, Growth, Personalised Care, Empowerment and Community.

Our clinic has always been focused on listening to our patients needs and using our knowledge to develop and provide evidence based clinical care. We then provide appropriate therapy and use a range of services to empower patients to take control of their health.

What we offer?

- Established Thriving Clinic - Multi-disciplinary team with an established and large network of support within the local community from both private patients, GP clinics and other allied health clinics.
- Growth on a Professional and Personal level - With regular team meetings our clinic has an emphasis on quality treatment, clear patient and inter-practitioner communication and social events. We offer an organised CPD calendar, including 2 full day CPD sessions, and collaborative case studies across the allied health team.
- Diverse Patient Base - Largely private based clientele, with a range of conditions from musculoskeletal pain and injury, sports conditioning, pre- and post-surgical rehab, paediatrics, orthopaedic, pain management women's health and NDIS.
- Regular planned mentoring and a thorough onboarding process - Using both our Osteopathy team and other disciplines our supervision and mentoring will ensure you feel supported.
- Flexible Work Practices - We use online practice management software, as well as HR systems to ensure you can have a good work life balance. The clinic has a wonderful reception team who are present during all patient facing hours taking care of all payments, booking and phone calls for you.
- Competitive Remuneration and Bonus System - Salary based employment and achievable KPI's focused around team-work, contribution to clinic, communication, quality patient care and professional growth.

- Large Referral Network - the clinic supports a number of local sporting clubs, schools and fundraising events therefore increasing our presence within the community. As well as an active marketing program for you including face to face networking, social media, and google ads.
- Longer appointment times (45 minutes) - for both returns and initial consults to ensure high quality care with a largely private fee paying and compliant population of patients.

Full time or Part time contract: (minimum 3 days - can be negotiated)

- Communication and People Orientated - If you are a confident patient care focused professional with a holistic approach to patient management, assessment and treatment. Excellent communication skills & are passionate about providing evidence-based treatment for sometimes complex patients, then this role is for you.
- Enthusiastic to provide amazing Osteopathic care to existing case load - Patients of all ages presenting with a great variety of presentations and goals. We also have a great role within the community where we work alongside local sports clubs, schools & U3As. As well as write regular blogs, social media posts & inhouse CPDs.
- Keen to be part of a multi-disciplinary Team - Be the seventh member of experienced Osteopathy team, and build a rewarding, fulfilling career. We are fully supported by our onsite reception team, who manage phone calls, bookings, payments and our website.
- Hours - This position will be beginning **November 2024**. This role has an existing caseload of clients. Saturday morning availability is essential as well as at least 2 week days.

Check out our Employee Value Proposition on our website to view our core values and how we reward and support our amazing team.

Applications and Enquiries

Please send your application (cover letter and resume) or enquiries to Kate Cartledge at kate@maroondahosteo.com.au. Please demonstrate your knowledge, experience, and reasoning for wanting to join our team in your application. Applications close Friday 25th October.
