# REMEDIAL MASSAGE THERAPIST

## Who Are You?

We are looking for a **Part-Time (0.25 FTE) Remedial Massage Therapist** with a Remedial Massage Diploma, current registration and indemnity insurance. This position is open to a part-time role beginning as soon as possible.

This role requires a Remedial Massage Therapist who is confident with a **holistic and patient focused approach** and has excellent **communication skills**.

This role involves treating an existing caseload of patients with a diverse range of conditions from musculoskeletal pain/injury, persistent pain, relaxation and more.

You must be able to work both independently as well as closely within a diverse multidisciplinary team of clinicians and have a willingness to learn and expand your clinical skills and knowledge.

## About Us

You will be working alongside our **2 Remedial Massage Therapists** in a multidisciplinary clinic which includes Exercise Physiology, Dietetics and Remedial Massage. This will allow you the opportunity to learn and grow with a diverse range of clients and treatment options. Our clinic space encompasses **7 treatment rooms**, a dedicated **Clinical Exercise Physiology and Pilates gym**, and a reception team to take care of payments, bookings and phone calls.

We have the ability to work around your wants and needs to ensure a **positive work experience**. This aligns with our **core values** of Understanding, Growth, Personalised Care, Empowerment and Community.
