

Join our dynamic **multidisciplinary team** at Maroondah Osteopathy and Sportscare!

MAROONDAH OSTEOPTHY & SPORTSCARE

OSTEOPTHY

(0.5-0.65 FTE) NEW GRAD WELCOME!

Who Are You?

We are looking for an **experienced Osteopath** or **confident new graduate** who has completed their Osteopathic studies, has current AHPRA registration and indemnity insurance.

This role requires an Osteopath who is confident with a **holistic and patient focused approach** and has excellent **communication skills**.

This role involves treating an existing caseload of patients with a diverse range of conditions from musculoskeletal pain/injury, sports injury, persistent pain and more.

You must be able to work both independently as well as closely within a diverse multidisciplinary team of clinicians and have a willingness to learn and expand your clinical skills and knowledge.

About Us

You will be working alongside our **7 friendly and supportive Osteopaths** in a multidisciplinary clinic which includes Exercise Physiology, Dietetics and Remedial Massage. This will allow you the opportunity to learn and grow with a diverse range of clients and treatment options. Our clinic space encompasses **7 treatment rooms**, a dedicated **Clinical Exercise Physiology and Pilates gym**, and a reception team to take care of payments, bookings and phone calls.

Our initial and return Osteopathic appointments are 45 minutes duration to align with our **core values** of Understanding, Growth, Personalised Care, Empowerment and Community.

What We Offer

Established Thriving Clinic - Multi-Disciplinary Team with an established and large network of support within the local community from both private patients, GP clinics and other allied health clinics.

Diverse Patient Base - Largely private based clientele, with a range of conditions from musculoskeletal pain and injury, sports conditioning, pre- and post-surgical rehab, pediatrics, teens, women's health, metabolic, cardiac and more.

Regular Planned Mentoring and a Thorough Onboarding Process - Using both our Osteo team and other disciplines our supervision and mentoring will ensure you feel supported.

Growth on a Professional and Personal level - With regular team meetings our clinic has an emphasis on quality treatment, clear patient and inter-practitioner communication and social events. We offer organised CPD calendar, including 2 full day CPD sessions a year, and collaborative case studies across the allied health team.

Competitive Remuneration and Bonus System - Salary based employment and achievable KPI's focused around team-work, contribution to clinic, communication, quality patient care and professional growth.

Flexible Work Practices - We use online practice management software and have extended opening hours to ensure you can have a positive work life balance.

Please send your application (Cover letter and Resume) or enquiries to Kate Cartledge - kate@maroondahosteo.com.au. Please demonstrate your knowledge, experience, your stand-out qualities and reasoning for wanting to join our team in your application.
