WHO ARE YOU?

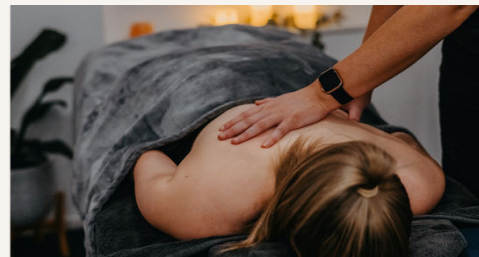

Are you an Osteopath who values quality care and refuses to work in a conveyor-belt clinic? Are you someone who loves variety in their job? Are you looking for a clinic where you'll feel supported, mentored, and part of a warm dedicated team?

At Maroondah Osteopathy & Sportscare (MOS), we're looking for an Osteopath to join our established multidisciplinary team. You'll be stepping into an existing caseload and working in a clinic that has proudly supported the Ringwood North community for nearly 16 years.

ABOUT US

We are a well-established clinic in the community of the North Ringwood Shops. Maroondah Osteopathy & Sportscare is a team of enthusiastic health professionals working together to create a caring, and high-functioning environment for both our clients and team. Our core values of **understanding, growth, personalised care, empowerment and community** are important to us.

We believe patients feel the difference when our practitioners feel supported. At MOS, you'll be mentored, encouraged, and a part of a clinic that values **care, collaboration, and integrity**. Our team is proud to have strong connections to local families, schools, businesses and sporting clubs that we have been working with over the years.

ABOUT THE ROLE

What we offer:

- Newly refurbished treatment rooms and welcoming spaces
- Work alongside a friendly, multidisciplinary team of **7 Osteopaths, 5 Exercise Physiologists, 3 Remedial Massage Therapists and a Dietitian**
- Guidance from a Senior Osteopaths
- A well equipped **Clinical Pilates and rehab Gym**.
- A supportive reception team who take care of bookings, payments, and calls so you can focus on patient care with an Operations Manager who oversees the day to day running of the clinic.

- **Longer consultation times (45 minutes)** to allow for quality, patient-centred care
- Ongoing professional development with planned topics for in house PD, documented supervision sessions and our **Annual Teams Day** with guest speakers and fun for the whole clinic.
- **A clinic who invests** in monthly marketing, google, meta and nurtures and acknowledges its strong referrer base.
- A warm, collaborative team culture where your wellbeing matters

YOUR QUALIFICATIONS AND SKILLS

- AHPRA-registered Osteopath
- Indemnity Insurance
- Previous experience in Pilates is a bonus.
- A strong communicator and natural collaborator who thrives in a team environment
